CURRENT SEASONAL BEERS ON TAP

Coldstream Brewery Summer Ale (4.3%)

A very pale thirst quenching ale brewed with a unique infusion of European hops & freshly picked Tasmanian Elderflowers. A small addition of flaked rice helps to achieve a delicate malt palate, against which the fragrant elderflowers can exert their subtle tropical fruit & citrus character. Generous hopping ensures the initial sweetness dries to a crisp, floral ale, adding to the overall refreshing effect of this beer.

Coldstream Brewery Spring Dark Lager (5%)

(Vienna Lager)

An amber dark malty lager with subtle spicy notes, brewed from a blend of 6 different malts including Dark Munich, Cara & Pale Crystal malts. Light hopping with German Northern Brewer, Australian Hallertau & Slovenian Styrian Goldings provides a gentle balance to the full-bodied malt character.
